PROFILE

Belhaven College is a Christian liberal arts college dedicated to helping people grapple with the complex issues of life and to preparing them for positions of leadership in a rapidly changing society. A community of professors and students working together in a Christian environment, Belhaven emphasizes the importance of the individual. In addition to a strong traditional liberal arts program, Belhaven provides an atmosphere in which students can find purpose and meaning in life. Academic preparation and Christian experience go hand in hand at Belhaven.

Each student is encouraged to develop and grow to the best of his or her potential and to face the future with confidence and determination. Interwoven into academic preparation is a curriculum that emphasizes personal values and constructive attitudes toward work, other people, and the quality of life.

Belhaven strives for excellence in higher education. The College is dedicated to the belief that only the Christian liberal arts institution can educate men and women capable of totally purposeful action and direction.

Belhaven College has a rich heritage of prominence in education dating back to 1883. Six bachelor's degrees and four master's degrees are offered. In addition to traditional majors, programs of general studies are available. There are also pre-professional programs in the ministry, medicine, dentistry, law, nursing, and medical technology.

Belhaven College has a long and productive history of relationship with the Presbyterian Church. Until 1972, the College was owned and operated by the Synod of Mississippi, Presbyterian Church in the United States, through a Synod-elected board of trustees. In 1972, the Synod gave ownership of the College to a self-perpetuating board of trustees. The College has a covenant relationship with the Synod of Living Waters of the Presbyterian Church (U.S.A.) and seeks to deepen its relationship with various other Presbyterian bodies. Faculty and staff members are drawn from various denominations, with the primary Presbyterian denominations represented being the Presbyterian Church (U.S.A.), the Presbyterian Church in America, and the Evangelical Presbyterian Church. The College receives both financial support and students from these three denominations.

Belhaven College is a Mississippi nonprofit corporation, recognized by the Internal Revenue Service as a 501(c)(3) corporation.

VISION AND MISSION OF BELHAVEN COLLEGE

The vision of Belhaven College is to prepare men and women academically and spiritually to serve Christ Jesus in their careers, in human relationships, and in the world of ideas.

Belhaven College is committed to high academic and scholarly goals, affirms the Lordship of Christ over all aspects of life and the authority of the Bible (the written word of God) as foundational for the development of a personal worldview, and recognizes each individual's career as a calling from God. Therefore, each academic department commits itself to evangelical Christian doctrine and actively seeks to clarify the implications of biblical truth for its discipline. This commitment applies to all departments and their offerings: undergraduate, graduate, and certificate programs.

The College requires a basic liberal arts foundation in each degree program, believing that the student educated in the liberal arts and sciences and taught the skills of critical thinking and creativity is best prepared to be a contributing member in a complex and fast-changing world.

This blend of Christian faith, the liberal arts, and career preparation is designed to produce people of character and ability who respond with discernment to the demands of today's workplace and the needs of our society. The College seeks to develop men and women who will give distinctive Christian leadership and service in all areas within their influence.

The College serves a variety of students and recognizes the unique contributions to campus life that can be made by nontraditional and nonresident students. Furthermore, the College believes its obedience to the Lordship of Christ establishes the imperative to develop opportunities in locations underserved by Christian higher education.

It intends to fashion people of integrity, compassion, and justice who incorporate those qualities in all aspects of their lives. Belhaven College aims to contribute to society people who seek "to serve, not to be served."

Revised by the Board of Trustees, November 1998.

OUR STATEMENT OF FAITH

1. We believe that there is only one God, eternally existent in three persons: Father, Son, and Holy Spirit.
2. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return to power and glory.
3. We believe the Bible to be the inspired, inerrant, and only infallible, authoritative Word of God, which exercises ultimate authority over the individual, the Church, and human reason.
4. We believe that justification through Christ is received by repentant sinners through faith alone, without works.
5. We believe that God, by His Spirit, progressively transforms the lives of those who are justified by God.
6. We believe in the resurrection of both the saved and the lost: they that are saved unto the resurrection of

life and they that are lost unto the resurrection of damnation.

ADULT STUDIES MISSION STATEMENT

Belhaven's commitment is to provide academic training programs which emphasize quality and relevance within a Christian framework. In addition, the educational philosophy and practices of the programs are designed to recognize the differences between the younger college student and the student who has assumed the adult responsibilities of self-determination, financial independence, and career development.

The adult programs support the mission of the College through their curricula, selection of faculty, and program formats. It is the purpose of the programs to integrate the Christian world view into the curriculum, provide academically qualified Christian faculty, and enable students to maintain employment while gaining preparation academically and spiritually to meet the demands of the workplace.

HISTORY

Belhaven College is a contemporary institution built on the timeless principles of service and excellence in higher education. Since its founding, Belhaven College has sought to fulfill the mission expressed in its motto: *non ministrari, sed ministrare*, to serve, not to be served.

Today's Belhaven is the culmination of three separate institutions of higher learning that merged over the years. Belhaven College was chartered in 1894 in Jackson, Mississippi, as a privately owned institution. In 1911, Belhaven was merged with McComb Female Institute, and in 1939 merged with the Mississippi Synodical College. The founding date of the latter institution, 1883, was adopted by the board of trustees as the official founding date of Belhaven College.

In 1894, Dr. Lewis Fitzhugh established Belhaven College for Young Ladies on Boyd Street at the former residence of Colonel Jones S. Hamilton. The College took the name of the house, Belhaven, in honor of Hamilton's ancestral home in Scotland. A fire destroyed the main building in February 1895, but with the help of Jackson citizens, the College reopened in the fall of 1896 at the same site.

Fitzhugh served as president until his death in 1904, upon which his heirs sold the College to Dr. J. R. Preston. Preston operated Belhaven until it was again destroyed by a fire in 1910, then he donated the title to the College to the Presbyterian Church. In September 1911, the school was reopened by the Central Mississippi Presbytery as Belhaven Collegiate and Industrial Institute at a new site on Peachtree Street.

Dr. R. V. Lancaster of McComb Female Institute became the third president when the two institutions merged. In 1915, the board of trustees changed the school's name to Belhaven College. During these years, improved curricula guidelines and student services were established. Dr. W. H. Frazer succeeded Lancaster as president from 1918-21, and during his tenure, enrollment grew to 230 students.

In 1921, the Reverend Guy T. Gillespie of Lexington, Mississippi, began a presidency that would last 33 years. In Gillespie's tenure, Belhaven was first accredited, an endowment fund begun, and scholarship aid made available. Through depression, war, and unstable economic times, Belhaven maintained its mission.

Dr. McFerran Crowe succeeded Gillespie in 1954, and over six years he expanded and upgraded the faculty while modernizing business operations. It was also in 1954 that the board of trustees voted to make Belhaven fully coeducational, thus ensuring continued growth.

In 1960-61, Dr. Robert F. Cooper served as acting president until the board selected Dr. Howard J. Cleland as president. During Cleland's 17-year tenure, an ambitious expansion program resulted in six major new buildings, while enrollment and the College budget tripled. Another significant change came in 1972, when the Synod of

Mississippi transferred ownership of the College to the board of trustees.

In March 1978, Dr. Verne R. Kennedy became the first Belhaven alumnus to serve as chief executive of his alma mater. In eight years as president, he reaffirmed the commitment to Christian service and the covenant relationship with the Presbyterian Church and installed a more efficient administrative structure.

Another alumnus of Belhaven, Dr. Newton Wilson, became president in June 1986. His nine-year term saw the greatest growth in College history, from just over 600 students to more than 1,100. By 1995, over 80 percent of Belhaven's faculty held doctoral or equivalent degrees. The College also extended its outreach in nontraditional venues, with expanded course offerings for adult and evening students. Dr. Daniel C. Fredericks served as acting president in 1995.

A new era of leadership at Belhaven began in January 1996, as Dr. Roger Parrot became the tenth president of the College. He inherited an institution with an all-time record enrollment of approximately 1,300 students and the best-qualified faculty in the history of the College.

Over its years, Belhaven has established a reputation for faithful service to city and state, to country and God. As the College looks ahead to a new century, the opportunities and demands will grow, but the founding mission remains unchanged..."to serve, not to be served."

LOCATION

Belhaven College is located on a forty-two acre site near the heart of Jackson, the capital and largest city in Mississippi. Jackson, a growing center of industry, commerce, culture, and the arts, has expanded in population from 7,000 at the beginning of the century to a major metropolitan area encompassing about 450,000 individuals. Jackson prides itself on its residential areas, its impressive state and city office buildings, its spacious parks, and its progressive spirit.

Located in a historical residential neighborhood, the Belhaven campus provides a pleasing setting for learning and growth. The campus combines the best of traditional southern architecture with contemporary utilization of space.

Belhaven College has another campus located in Clark Tower, a landmark office complex on Poplar Avenue in Memphis, Tennessee. Adult studies offices, classrooms, and electronic library are housed on the second floor of this facility.

The Belhaven College Florida campus is located in 2301 Maitland Center Parkway, Suite 165, Maitland, Florida. The community is a blended community of residential and commercial developments, near the fast-growing metropolis of Orlando.

The Belhaven College Texas campus is located in Granite Park 10, 15115 Park Row, Houston, Texas and offers adult programs for undergraduate and graduate degrees in business administration.

Belhaven College also hosts evening classes in business management at the Southwest Regional Medical Center in McComb, Mississippi and in Philadelphia, Mississippi.

It is understood by all parties that, if for some reason a student is denied admission as a result of not having all documentation at the appropriate offices by the deadline stated, Belhaven College is not liable for any losses incurred to the student.

A student cannot be certified for financial aid until he/she is officially admitted to the College.

Conditional Admission

Students who have transferable hours but whose cumulative entering grade point average is lower than a 2.0 may be referred to the adult Aspire admission committee for consideration. If admitted, the following may apply:

- < A.A. - Student must maintain a 2.0 in the first three three-hour courses.
- < B.A. in Social Services, B.H.A., B.B.A., B.S.M. - Student must maintain a 2.5 in the first three three-hour courses.

The admission committee, when admitting a student with a substandard GPA, may make further recommendations based upon a student's previous record.

Reinstatement is not automatic, and students must show cause and correction. If severe extenuating circumstances can be shown, a student may appeal to the dean of adult studies for immediate reinstatement.

Deferred Admission

Applicants may have admission deferred for one or more of the following:

- < GPA lower than 2.0.
- < Insufficient work experience.
- < Does not meet age requirements.

Readmission

- < Contact the director of student services, who will obtain re-entry clearance from accounting, student financial planning, and the registrar.
- < Contact the Aspire accounting office to make arrangements for payment
- < Contact the office of student financial planning, if applicable.

A student who has been out of the Aspire program for six months or longer will reenter under all current program

policies.

A re-registration fee of \$100 will be assessed if the student has been out of school (class time) for 12 months and was administratively withdrawn. Any student dismissed or suspended for academic reasons may be readmitted only upon approval by the adult studies admission committee.

Transfer Credits

Transfer of credit is controlled by the receiving institution and accreditation does not guarantee transferability. Belhaven College usually allows full credit to transferring students for work completed at other regionally-accredited institutions; however, some courses which are not regarded as consistent with a liberal arts curriculum (to be determined by the provost) may not be credited toward a degree. Also, remedial courses are not transferable. A grade of D will be accepted for credit if the student has an overall average of C on all courses transferred from that school. In the case of transcripts submitted from more than one institution, each transcript is evaluated as a separate unit in chronological order.

A student pursuing an associate of arts degree may transfer a maximum of 53 semester hours of credit. A minimum of 17 semester hours of credit must be earned in residency at Belhaven College for the A.A. degree.

A student pursuing a bachelor's degree may transfer a maximum of 64 semester hours of credit from a junior or community college. Once a student has earned 64 hours of junior and/or senior college credit, he/she may not transfer in any more junior or community college hours. A minimum of 60 semester hours of credit must be earned at Belhaven College or another senior college, with all course work in the specific bachelor's curriculum being completed at Belhaven.

GRADUATE ADMISSION REQUIREMENTS AND PROCEDURES

All communications regarding entrance to the M.B.A. or M.S.M. graduate program at Belhaven College should be addressed to the office of adult studies. Inquiries regarding the M.Ed. graduate program should be directed to the graduate teacher education office as listed in the directory of communications in the catalogue. Eligibility for admission will be determined when the application, application fee, and transcripts have been received by the College.

For specific admission requirements and procedures to the graduate programs offered at Belhaven College, refer to the educational programs section of the catalogue.

STUDENT FINANCIAL PLANNING REGULATIONS

Institutional Refund Policy

- < The application fee and the registration fee are nonrefundable fees.
- < The education resource fee is fully refundable upon proper withdrawal procedures and return of undamaged books **prior to the first class meeting**. Students will **not** receive a refund for texts returned after the first

- class meeting.
- < Upon written notification of withdrawal received in the adult studies office **prior to the first class meeting**, a 100% refund for tuition will be given.
- < Upon written notification of withdrawal received in the adult studies office **prior to the second class meeting**, a 75% refund for tuition will be given.
- < **No refunds will be made for withdrawal after the second class meeting.**

- < A student who is dismissed for disciplinary reasons forfeits the right to a refund of any charges.

The calculation of the return of these funds may result in the student owing a balance to the College and/or the federal government.

The refund to the Title IV programs must be returned in the following order:

- (1) Federal unsubsidized Stafford Loan
- (2) Federal subsidized Stafford Loan
- (3) Federal Perkins Loan
- (4) Federal Plus Loan
- (5) Federal Pell Grant
- (6) Federal SEOG

The federal Title IV written refund policy and method of calculation is available in the financial aid office.

Other Financial Policies

Any account balance due for any preceding session must be paid before a student will be enrolled for the succeeding session. The Registrar is not permitted to transfer credits until all indebtedness to the College is paid.

A student will be allowed to graduate only after he/she has settled with the business office all his/her indebtedness to the College.

All charges for the entire session are to be paid prior to the first class meeting. Students who are admitted to the College accept as contractual all the terms and regulations set forth in this catalogue and are liable for the payment of all charges and fees incurred during their stay at the College. A consent agreement is to be signed by each student that makes each student liable for the payment of all charges and fees incurred by the student while enrolled.

A student who has not made satisfactory arrangements with the business office regarding his account may be administratively withdrawn from Belhaven College.

EXPENSES

Since economic conditions do fluctuate, Belhaven reserves the right to change its fee charges at the beginning of any program if such a change is necessary in the judgment of the board of trustees. The support of Presbyterian churches, the earnings from endowment investments, and the gifts of alumni and other friends provide funds which enable the College to charge fees that are considerably less than the actual cost of instruction and other services provided.

Changes go into effect whenever the proper authorities so determine and apply not only to prospective students but also to those who at that time are enrolled in the College.

FINANCIAL AID

Belhaven College believes that no qualified student should be denied an education because of financial need. Therefore, through a program of scholarships, grants, and loans, Belhaven College provides a comprehensive plan to assist students who establish a definite financial need and who qualify for financial aid.

Students should complete the following application procedures:

- < Apply formally for admission through the adult studies office, if not currently enrolled.
- < Apply for Federal Student Financial Aid **EACH YEAR** by filing the Free Application for Federal Student Aid (FAFSA) on the Internet at www.fafsa.ed.gov.

IMPORTANT: Be sure to list Belhaven College as one of the colleges to receive the results of your evaluation. Our code number is **002397**.

The financial aid programs are administered in accordance with the policies and procedures defining good standing and satisfactory progress toward a degree.

In applying for financial aid while attending Belhaven College in the adult studies program, the student acknowledges the following:

Changes in the student’s class schedule may result in cancellation of the loan application or delay in disbursement of the financial aid. Prior to any change in schedule, the student must contact the student financial planning office to verify the impact of the change.

In the event of a necessary interruption of scheduled attendance, the student should request a course withdrawal in writing. Failure to return on schedule, a second unscheduled interruption, or an absence not requested in writing

may result in the financial aid being canceled. This may result in beginning the grace/repayment period of a Federal Stafford Loan effective the last date of attendance.

In the event a student drops from a course before the course begins with intentions to re-enter the next course in sequence, the regular financial aid disbursements will be adjusted accordingly, which may extend the academic year.

If a withdrawal occurs after the course begins, the student may find that financial aid will not cover all course work toward the end of his/her program. Each case is considered individually. Students must be personally responsible for the financial aid ramifications of any withdrawal from the adult studies program.

It is the student's responsibility to contact the financial aid office in writing to reactivate his/her financial aid upon reentry into the program.

Graduate Teacher Education Programs: (M.Ed.)

The student must be enrolled a minimum of six credit hours per term to receive Federal Stafford Loans and must be officially accepted to the program in order to receive any type of financial assistance.

Other Financial Aid Programs:

Veterans' Benefits: Certain armed service veterans and dependents who qualify under federal laws administered by the veterans administration are eligible to receive educational benefits. Information about these programs may be obtained by writing the state veterans administration office.

Vocational Rehabilitation Benefits: Individuals with physical disabilities classified as vocational handicaps may receive financial aid from state departments of vocational rehabilitation. Detailed information is available through the departments of vocational rehabilitation in the student's home state.

SATISFACTORY ACADEMIC PROGRESS

Students at Belhaven College receiving Title IV federal funds, state grants, and/or institutional grants are required by federal regulation to be making SATISFACTORY ACADEMIC PROGRESS at Belhaven.

1. A student must pass a total of 18 minimum semester hours as an adult student in a designated 40-week period. This standard applies to and includes sessions for which the student received NO AID.
2. If a student fails to meet the above stated requirements, he/she will be considered to be making unsatisfactory progress and financial aid will be denied. However, students have the following option:
 - a. Submit a written appeal to the director of student financial planning aid to explain any extenuating circumstances. The appeal and documentation will be presented to the financial assistance committee. If the appeal is honored, the student must meet any specific requirements as determined by the committee.
3. A student receiving financial aid who is placed on probation by the registrar at the end of a course will receive a letter from the student financial planning office specifying the effect on financial assistance if satisfactory academic progress requirements (as measured against quality points and credit hours required in an academic year) are not met within the probational period.

SPECIAL NOTE: A veteran student who has been placed on probation for three consecutive three-hour courses and does not achieve the required GPA of 2.0 (3.0 for graduate level) will be reported to Department of Veteran Affairs as not meeting the standards of progress.

STUDENT LIFE

Belhaven College believes that well-rounded personal and social development can best be accomplished within a Christian community. Therefore, in order to meet individual needs while working for the needs of the community, it is necessary to establish guidelines for conduct. Belhaven's adult studies student handbook describes in detail guidelines governing general college regulations. The system of standards set forth in the student handbook is intended to maintain a balance between individual freedom and the good of the community. Believing that every aspect of life should be lived to the glory of God, Belhaven College seeks to apply consistently these standards with a concern for the total development of the individual.

Belhaven reserves the right to withdraw or dismiss any student who, in its judgment, displays conduct in violation of the standards of the College.

Grievance Policy for Written Student Complaints

The student grievance or complaint policy insures that students have adequate lines of communication wherein to file written complaints. Students are encouraged to inform the proper college official any time they feel one of their student rights or privileges has been denied.

Academic Grievances

Students wishing to file grievances on academic issues should submit written appeals to the academic appeals committee, which may be done through the registrar's office.

Academic grievances concerning a faculty member or an adult studies course should be directed to the academic state dean.

General Grievances

All general grievances, not of an academic nature, should be written and directed to the state dean. Students wishing to file grievances concerning study groups should contact the director of student services.

Procedure for Reporting Grievances

1. All student grievances must be submitted in writing to the proper college official.
2. The college official will then review the complaint and decide whether or not the complaint merits official action.
3. If action is taken, the appropriate official will then provide the student with a response to the complaint.
4. If the student feels that the official's decision is unfair, he/she may appeal the decision in writing; appeals must be done within 48 hours to the appropriate dean.

Academic Disability Accommodation

Belhaven College offers students disability accommodation in accordance with the guidelines of the American Disabilities Act. The student must provide current documentation of the disability from a licensed professional and complete the Belhaven ADA Request Form for accommodation of the term for which the request applies. The student must contact the state dean, located in Raymond Hall, at the beginning of each semester for which accommodation is requested. Approved accommodations will be made within a reasonable time period after completion of the official request.

Grievance Procedure for Disabled Students

Belhaven College has adopted an internal grievance procedure providing for the prompt and equitable resolution of student complaints alleging any action prohibited by regulations implementing the American with Disabilities Act (ADA) of 1990, Section 504 of the Rehabilitation Act of 1973, and other pertinent federal, state, and local disability

anti-discrimination laws. The state dean shall serve as the complaint coordinator.

1. Applicants or students shall file complaints, in writing, with the coordinator. A complaint shall contain the name and address of the person filing it and a brief description of the alleged violation. If the complainant needs an accommodation in order to file the complaint, he/she should inform the person taking the complaint.
2. Such complaints must be filed within forty-five calendar days after the complainant becomes aware of the alleged violation.
3. An investigation, as may be appropriate, shall follow the filing of a complaint. The coordinator will conduct the investigation.
4. The coordinator shall issue a written determination regarding the complaint and a description of the resolution. The coordinator shall forward a copy to the complainant within a reasonable time.
5. The complainant may request a reconsideration of the case in instances where he/she is dissatisfied with the resolution. Persons with complaints should make requests for reconsideration to the provost within thirty calendar days of the date of the written determination issued by the coordinator. The provost shall issue a decision regarding the appeal within a reasonable time, and the decision of the provost shall be final.

Anti-hazing Policy (Florida)

In compliance with Florida statutory requirements, the following anti-hazing policy is in effect: Any action or situation which recklessly or intentionally endangers the mental or physical health or safety of a student or which willfully destroys or removes public or private property for the purposes of initiation or admission into or affiliation with or as a condition for continued membership in any organization operating under the sanction of or recognized by Belhaven College is expressly prohibited at Belhaven College.

Career Development

Appropriate employment information that is provided by employers to Belhaven College will be posted on the online job board that is accessible through Blazenet, the campus intranet. Students and alumni can access the job board using an assigned user name and password.

On the Jackson campus, job placement and career planning services are provided for Belhaven College students and alumni through the office of student services, located in Raymond Hall.

Hood Library

The Warren A. Hood Library houses more than 100,000 items. In addition to the book collections owned by the library, there are periodical subscriptions, record and compact disk collections, video cassettes, maps, vertical file materials, the College archives and periodical indexes, subscriptions to web-based indexes/full text databases, and reference materials for all fields. Internet access is available to all students from the library as well as the computer lab in the McCravey-Triplett Student Center.

The staff is well trained to assist all faculty and students with a wide range of research activities. It is the librarians' intent that each student at Belhaven develop transferrable skills to ensure life-long learning through instruction and skilled use of the materials available at the Warren A. Hood Library and other libraries in the metropolitan area.

Individuals using the library are strongly urged to seek all assistance possible. Should essential library material not be found in the library, participation in a variety of interlibrary loan networks makes possible computer-based loan service.

While library staff cannot conduct research for classroom purposes, assistance in developing a research strategy can be invaluable. In order to make the best possible use of a student's time, reference consultations are encouraged. Advance appointments should be made, and students will be expected to carefully describe their research needs at the time the appointment is made, thus allowing library staff the lead time necessary to plan the best use of the library's collections.

The library is open 75 hours each week for the fall and spring semesters. Hours are slightly reduced during the summer terms. For access during scheduled College breaks, please call 601-968-5948 for library hours.

Virtual Library

The virtual library is an internet based research tool accessible by Belhaven students, staff, and faculty. The virtual library consists of several search tools including EBSCOhost. EBSCOhost on the web gives researchers immediate, one-stop access to a variety of full text databases ranging from general reference collection to specially designed, subject-specific research databases. Please note that the EBSCO host system does not work with the AOL browser. Students will need to use an alternate browser such as Internet Explorer or Netscape. EBSCOhost may be accessed through the Belhaven College library page at http://www.belhaven.edu/blazenet_student/library/virtual_library.htm.

Memphis Library Resources

As residents of the tri-state area, Belhaven students can obtain a library card, free of charge, to McWherter Library on the University of Memphis campus. Before issuing a card, the library requires new patrons to complete a short information sheet and provide a current driver's license. Cardholders have access to the library's resources, services, and circulation materials. With this privilege Belhaven students must observe all policies established by McWherter Library and claim sole responsibility for use of items. Library hours are: Sunday - 1:00 p.m. – 10:00 p.m., Monday – Friday – 7:45 a.m. – 11:00 p.m., and Saturday – 10:00 a.m. – 6:00 p.m.

The Memphis/Shelby County Public Library and Information Center also provides an extensive network including a man library and 21 branches which are available to residents of the Memphis metropolitan area. Walk-in access is free to anyone, and check-out privileges are available free to county residents. For non-residents, a nominal fee of \$20.00 will provide library access for a full year.

Academic Programs

REQUIREMENTS FOR DEGREES

The adult studies division of Belhaven College offers courses leading to associate's, bachelor's, and master's degrees. In addition to earning a prescribed minimum number of semester hours credit and to maintaining an overall C average (2.00 GPA), a candidate for an associate's or bachelor's degree from Belhaven College must complete basic course requirements, meet all departmental requirements for a major, make application in the adult studies office, and fulfill all financial obligations to the College. A candidate for a master's degree must fulfill the same requirements and obligations and maintain an overall B average (3.00 GPA).

Application for degrees must be through the online application found on Blazenet by the deadlines listed in the calendar. Failure to do so on schedule will result in a late fee assessment as listed in the special fee section; a delay in the graduation date is also possible.

Academic Advising

The director of student services will acquaint students with options in developing a plan for degree completion at the time of orientation. To complete all graduation requirements, a student may find that he/she will need to meet these requirements outside of the set programs.

Belhaven College at times may offer traditional courses to adult students at night or on Saturday as well as mini-term courses. These courses may be taken concurrently with other set courses if the student wishes to complete a degree in less time. After a student enrolls in the adult studies program, courses taken at other institutions of higher learning must be approved by the registrar. Students can access the "request to take a course at another institution" form from Blazenet or the student services office. Concurrent enrollment in two institutions is not usually allowed.

The director of graduate teacher education will acquaint education students with options in developing a plan for degree completion. An appointment for degree completion planning may be made with the director. Questions regarding a degree plan should be directed to the director.

Students who "drop-in" for a course must pay a resource fee in addition to the current tuition charge.

Registration

The College offers open registration for all adult studies and graduate students. Graduate education students may register for classes with the education administrative assistant by mail or on site. AA, BA in Social Services, BBA, BHA, BSM, MBA, and MSM students register on site with an admission representative in the division of adult studies and should schedule an appointment to complete registration.

Residence Requirement

Belhaven College requires of all candidates for an undergraduate degree a minimum residence as follows. The last 31 semester hours of work must be earned in residence with the exception that a student who has completed at least

90 hours at Belhaven College may request permission from the registrar to complete the final 12 hours required of his/her degree at another accredited senior college or university . Students who have completed at least 60 hours may complete nine hours off campus; those with at least 31 hours may complete six hours.

For a graduate degree, Belhaven College requires of all candidates a minimum residence of one year. The last 12 semester hours of work must be earned in residence.

Grades and Quality Points

The meaning of the course grade is as follows: A, Superior; B, Good; C, Average; D, Passing; F, Failing; I, Incomplete; AU, Audit; NA, No Audit; W, Withdrew Before Grades; WP, Withdrew Passing; WF, Withdrew Failing; AW, Administratively Withdrawn; S, Satisfactory; U, Unsatisfactory; ES, Examination Satisfactory; CR, Credit; NC, No Credit; RF, Repeated Failure/No Forgiveness.

The grades S (Satisfactory) and U (Unsatisfactory) are used for courses completed on the pass/fail option. The grade ES (Examination Satisfactory) is used for credit given by examination in foreign languages and mathematics. The grade CR (Credit) is given for nonacademic courses to indicate that credit has been earned. The grade NC (No Credit) is given for nonacademic courses to indicate that no credit has been earned. A plus/minus system of grading was implemented in the fall semester of 1985. The plus/minus changed the quality points associated with the letter grades; therefore, the letter grade A now carries 4.00 quality points; A- 3.665; B+ 3.335; B 3.00; B- 2.665; C+ 2.335; C 2.00; C- 1.665; D+ 1.335; D 1.00; D- 0.665; F 0.00. A quality point index is calculated at the end of each semester by dividing the number of quality points earned by the number of semester hours attempted, grades of F being counted as hours attempted. Only the grades listed immediately above carry quality points. Cumulative totals are also computed following each completed grade period.

Transfer work does not affect the Belhaven cumulative grade point average (GPA).

Incomplete

The grade I is given at the discretion of the instructor and only in case of a prolonged illness or other emergency and indicates that all requirements in a course have not been met. In order for students to receive the grade I, they must have made satisfactory progress in the course up to the point of illness or emergency. The grade I cannot be given prior to the last day to drop a course without an F. Students receiving the grade I should make the following arrangements with their professors and the registrar's office before the end of the semester:

The student (or one representing the student) must obtain the incomplete request form from the registrar's office or the director of student services. In filling out this form, students and their professors agree upon the dates of completion for all work. Should a student fail to complete the required work within 30 days, the grade I will automatically be changed to a grade of F by the office of the registrar.

Failure: Repeated Courses

An F cannot be removed from a student's record. However, if a student enrolls again in a course which he/she failed, the second grade is recorded on the permanent record for the semester in which the course was repeated with an indication that it was a repeated course.

Although both courses and the respective grades and quality points are shown on the permanent record, the semester hours credit is only earned once and the second course is shown as repeated.

Forgiveness Policy on Repeated Courses

An undergraduate student, upon written request, may ask to repeat up to four courses, or 12 hours. A graduate

student, upon written request, may ask to repeat up to two courses, or six hours. The previous grade will appear on the permanent record but will not be used in calculating the quality point index.

The following stipulations apply to this policy:

1. The undergraduate student cannot use this option to repeat a course in which a grade of A, B, or C was earned. This can only be used to replace a grade of C- or below. Graduate students can use this option to repeat a course in which a grade of B- or below was earned.
2. The student cannot use the forgiveness policy to replace a grade that was earned at another school, nor may grades earned at Belhaven be replaced by grades earned at another school. This policy will only affect the Belhaven grades and quality point index.
3. The last grade earned will be the one used to recalculate the GPA, even if a lower grade is earned the second time that the course is taken.

Academic Probation and Suspension

A quality point index is calculated at the end of each course by dividing the number of quality points earned at Belhaven by the number of semester hours attempted at Belhaven. **ALL STUDENTS ARE EXPECTED TO MAINTAIN A QUALITY POINT INDEX OF 2.00 (3.0 for graduate students) REGARDLESS OF THEIR CLASSIFICATION.**

A student who falls below the required cumulative 2.0 (3.0 in a graduate program) in any program will be placed on **probation** for the next three consecutive courses. Academic probation will be removed when the student achieves a satisfactory cumulative GPA of 2.0 (3.0 in a graduate program).

If a student does not achieve a 2.0 (3.0) within the probationary period of three consecutive courses, he/she will not be eligible for readmission until six months have passed. In such cases, a formal application must be submitted and registration fee must be paid in accordance with admissions procedures. In addition, applicants will petition for readmission by the cause and correction for academic deficiencies.

The second academic disqualification will be considered a **suspension**, and the student may not petition for reinstatement for three years.

Administrative Withdrawal

Students may be administratively withdrawn for nonpayment of tuition, misconduct, noncompliance with academic policy, and/or nonattendance.

Classification

An undergraduate student's classification is determined by the number of semester hours he/she has to his/her credit. For sophomore standing a student is required to have earned 24 semester hours of credit, for junior standing 54 semester hours, for senior standing 90 semester hours, and for graduation 124 semester hours and 240 quality points.

Course Load

For AA, BA in Social Services, BBA, BHA, BSM, MBA, and MSM, a normal course load in a four-month period should not exceed 12 semester hours. Any exceptions to this policy will be approved by the academic dean. Approval will be on the basis of the student's previous record of achievement and the course in which he/she wishes to enroll. No student may receive credit for more than 18 hours in a semester.

In the graduate teacher education program, the maximum course load is six semester hours per session. Requests to exceed the maximum of six hours must be made to the director of graduate teacher education and will be reviewed primarily on the basis of the student's previous record of achievement and the courses in which he/she wishes to enroll. No students may receive credit for more than nine hours in a session under any circumstances.

Grade Reports

At the conclusion of an adult Aspire course, final grade reports will be available on Blazenet. Grades are mailed to the student's permanent address only upon request. In the graduate teacher education program, final grade reports are available on Blazenet at the end of each term or session. The office of the registrar will not show students their grades. **Grades will not be discussed or given out by phone, e-mail, or fax.** Course grade reports will indicate course completed, credit received, and grades assigned.

Transcripts

A student who desires a transcript must fill out a request form available on Blazenet or in the business office at least 48 hours before the time he/she needs to have the transcript sent. The registrar is not permitted to transfer credits for a student who is in debt to the College. The request for a transcript must be signed by the person whose record is to be released. The cost of each transcript is \$7.00 and must be paid in advance by cash, credit card, or money order. Personal checks are accepted; however, the transcript request will be held for two weeks to allow time for the check to clear.

Family Education Rights and Privacy Act of 1974

Belhaven College wishes to inform students of the Family Education Rights and Privacy Act of 1974, as amended. The act, with which the institution intends to comply fully, was designated to protect the privacy of educational records and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with Family Education Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the act.

Belhaven College accords all the rights under law to students who are declared independent. No one outside the institution shall have access to nor will the institution disclose any information from students' education records without the written consent of students except to personnel within the institution, to accrediting agencies carrying out their accreditation function, to persons in compliance with a judicial order, and to persons in an emergency in order to protect the health or safety of students or other persons. All these exceptions are permitted under the act.

Within the Belhaven community, only those members individually or collectively acting in the student's educational interest are allowed access to student education records. These members include personnel in the office of the registrar, provost's office, admissions office, student services office, financial aid office, business office, and office of institutional improvement.

Students may not inspect and review the following as outlined by the act: confidential letters and recommendations associated with admissions, employment or job placement, or honors to which they have waived their rights of inspection and review, or education records containing information about more than one student, in which case the institution will permit access only to that part of the record which pertains to the inquiring student.

Class Attendance Policy

Class attendance is mandatory. The nature of the adult studies program requires that students be present for the concentrated class once a week and the extension of that class into the student group meeting once a week. It is imperative that students attend every class; however, since extreme circumstances may occur, the following attendance policies will ensure that the full course material is received by each student.

Class attendance is mandatory. It is imperative that students attend every class; however, since extreme circumstances may occur, the following attendance policies will ensure that the full course material is received by each student.

< Class attendance records are maintained by the instructor and submitted to the director of student services

or coordinator of student services each week following the class meeting. Study groups monitor attendance internally, and their end-of-course reports become part of the weekly attendance totals. Each faculty member verifies the site of the meeting place for each group and the weekly study group attendance as documented on study group logs.

- < Class attendance sheets, study group logs, and grade rosters are turned into the adult studies office within seven days after the end of the course.
- < Any student who misses more than 20 percent of a course will receive an F for the course. Students also are not allowed to miss more than 20 percent of the study group meetings for a course and will receive an F in the course if they do so.
- < Special circumstances may be referred to the academic dean through the director of student services or to the director of graduate teacher education.

Degree Audits

The schedule for a student's degree audit to be updated is:

- 1) When entering the educational program.
- 2) When reaching the midpoint of the program.
- 3) When applying for graduation.

Students must keep their own records of their academic progress; ***ULTIMATELY, IT IS THE RESPONSIBILITY OF THE STUDENT TO SEE THAT HE/SHE IS COMPLETING THE CORRECT COURSES FOR THE DEGREE HE/SHE IS PURSUING.***

Graduation with Honors

To graduate cum laude, magna cum laude, or summa cum laude, a student must have earned a minimum of 60 academic hours carrying quality points at Belhaven College. At the time of graduation the student must have established a cumulative quality point index both on the Belhaven College record and all accepted college courses as a whole and meet the following minimums to be eligible: cum laude, 3.4; magna cum laude, 3.7; summa cum laude, 3.9.

To graduate "with honors," a student must have a minimum of 45 academic hours carrying quality points at Belhaven College, a 3.4 cumulative grade point average at Belhaven College, and a cumulative grade point average figured on both the Belhaven College record and all accepted college courses as a whole of 3.4.

Belhaven College students who graduate with academic honors will wear Belhaven College honor cords for the graduation commencement ceremonies. Students are not allowed to wear any other regalia from societies, sororities, or organizations not affiliated directly with Belhaven College.

Independent Study

Independent study courses will be available only for degree-seeking seniors who are unable to get a needed course at the regularly scheduled hour.

Students must complete a special request form and obtain permission from the academic dean in order to register for the course. The professor is not authorized to grant final approval for an independent study course. The request should be made as soon as possible, but must be submitted to the academic dean no later than the last day to enter a course or change enrollment status.

No course intended to be used for the forgiveness policy can be taken as independent study; furthermore, all forgiveness policy courses must be taken at Belhaven College.

Veterans' Regulations

Each recipient of VA benefits enrolled at Belhaven College is expected to become familiar with, and to adhere to, all

academic policies stated in the current issue of the Belhaven College catalogue.

Alternative Credit (For undergraduate degrees only)

(All alternative credit must not exceed 30 credit hours toward the undergraduate degree.)

C **Standardized Testing**

Belhaven College recognizes the CLEP and ACT PEP standardized tests for credit and accepts the recommended score scale. Credit may not exceed 30 hours.

C **Foreign Language Proficiency Exams**

Students proving proficiency in a native language other than English will be considered to have met Goal III. Foreign students may not register for credit in their native language. Students may earn college credit for Spanish, French, or German only by taking the CLEP examination at the elementary or intermediate levels. Students may earn up to the required number of credit hours in the general education core for their major in a single language through completion of the CLEP examination with a minimum score of 50 or above or through proficiency credit. The CLEP standardized examination will preclude the use of departmental examinations except in those areas where CLEP examinations are not available.

The method of testing and the number of credit hours to be awarded for languages other than Spanish, French, or German will be determined by the chair of the foreign language department or their designee. For testing other than CLEP, a \$100 fee is charged for administering a proficiency exam; an additional fee of \$100 is charged if the exam is completed and credit is to be awarded.

C **Correspondence Courses**

Courses taken by correspondence from other colleges are acceptable when approved by the academic dean and not exceeding the number of hours accepted by the College. Generally, these courses should be those not offered or not available through Belhaven College. Credit may not exceed nine hours in general education or 12 hours total.

C **Guided Study**

A limited number of guided studies are available to students who need one course that is not available and is needed for graduation. There is an additional fee of \$175.00 above tuition for this option. This option must be approved by the academic dean as well as the consulting faculty member.

C **Military Credit**

Credit for military service may be awarded as four credit hours of physical education if credit has not already been achieved in this area. These credits are awarded as non-academic hours. Other military training courses are individually assessed by the American Council on Education (ACE) recommendations. Credit may not exceed 30 hours.

C **Documented and Experiential Learning Credit**

(Maximum credit - 15 hours)

Belhaven College is among more than 600 colleges and universities involved in assessing documented learning for academic credit toward an undergraduate degree. The Council for Adult and Experiential Learning (CAEL), an educational association founded in 1974 to promote the acceptance of the awarding of college credit for documented and experiential learning, has led the way in developing and implementing assessment techniques. Belhaven College uses the guidelines developed by CAEL. **In order for the credit to be granted officially and recorded on the transcript, the applicant must have completed successfully a minimum of 12 semester hours of academic course work at Belhaven College.** This type of credit is not necessarily transferable into or out of Belhaven College. The process for experiential credit should be completed by the end of the first year in the adult studies program. A \$175.00 assessment fee is paid at the time the portfolio is turned in for assessment. Upon awarding of credit, the student is charged \$75.00 per semester hour of credit and must pay the full amount before the credits are recorded on the student's permanent record.

- C Documented Learning - Portfolio I
Credit for professional or technical courses, licenses, certifications, workshops, etc., can be awarded if documented thoroughly. Faculty members assess the validity of substantial documentation based on completion, clock hours, and content. The Portfolio I must include a resume, an autobiographical sketch, and a value of learning statement for each topic area. One semester hour of credit **may** be awarded for 20 hours of instruction that is determined by faculty to be college level.
- C Experiential Learning - Portfolio II
Experiential learning credit assessments, in the form of portfolios, are methods by which students may earn academic credit for college-level learning completed outside of the traditional classroom setting. It is designed to assist adult learners in attaining their academic and career goals by validating their professional competencies acquired through experiential learning.

Students must have successfully completed a minimum of 12 semester hours of academic coursework at Belhaven prior to applying for experiential credit. Students wishing to earn academic credit must submit the required portfolio information for assessment upon completion of EDU 290. A maximum of 15 hours may be earned through portfolio assessment. No grades are assigned; only credit is awarded and applied as elective credit. The process for experiential credit should be completed prior to the beginning of the last course required for degree completion as noted on the student's degree completion schedule.

NOTE: Any appeals by students in regard to the number of semester hours of credit awarded through the portfolio process may be made to the director of student services.

Credit from alternative credit programs may be given in a specific area in which a student wishes to major or minor, dependent upon departmental policy. Credit in Bible, history, culture, or literature courses from these sources to meet general education curriculum requirements will not be accepted. The maximum total of such credit listed above, in any combination, is 30 semester hours, not to include more than 15 hours of experiential credit. Hours earned through alternative credit programs do not carry quality points and therefore are not considered as residential hours for honors calculations.

GRADUATE TEACHER EDUCATION

Professor Raspberry, Dean

Graduate Teacher Education Mission Statement

Calls for reform in the American educational system ring out almost daily. Parents, teachers, policy-makers and communities recognize the critical need for renewal in our schools. All agree that our communities need professionals committed to transforming teaching and learning – professionals dedicated to creating positive learning environments wherein students learn the virtues and skills necessary to become responsible citizens.

Belhaven College embraces this vision. We believe that well-prepared teachers and adults newly committed to the teaching profession can help improve our schools. At Belhaven, we equip teachers to lead and to serve in the learning community.

Belhaven College has a long tradition of academic excellence in preparing teachers. Originally founded as a women's college, Belhaven's first "professional degree" was in teacher education. Since that time, the College has produced thousands of teachers who have filled classrooms in Mississippi and many other states. Building on this tradition, Belhaven offers two non-traditional teacher graduate programs: the master of education and the master of arts in teaching. Each degree is designed for a different student and meets a different need. The master of education meets the needs of professional teachers who already are certified and desire a graduate specialty in elementary or secondary education. The master of arts in teaching is designed exclusively for students who hold the bachelor's degree and wish to teach at either the elementary or secondary level but have not completed an undergraduate teacher education program.

While serving different audiences, all degree programs acknowledge the expertise, experience, and needs of adult learners. Both programs also foster inquiry into the nature of learning and the effects of teaching, transfer of theory to practice, self-directed learning and reflection, collegial interaction with peers, commitment to innovation and change, and the development of leadership skills and professional efficacy.

Belhaven offers a challenging educational experience for practicing and aspiring teachers who desire to enhance their knowledge and skills. Our faculty and staff are committed to preparing professional educators who can provide distinctive Christian leadership and service in the classroom, the school, and the community.
